EMPORIUM MELBOURNE

Dressed head to toe

If you're looking for a new outfit for any of the races, Emporium Melbourne is your one stop shop for the latest in spring racing fashion. Think Dion Lee, Zimmerman and Alice McCall for the ladies and Calibre, Hugo Boss and MJ Bale for the guys. With connecting bridges to David Jones and Myer, the choices will be endless. Enter from Little Bourke Street

THE HEIGHT OF GLAM

The bigger the bolder

It's all about the headpiece for the ladies and we think go big and bold! Add that pop of colour to your outfit or a simple headband will be a glamorous touch. This year big hats are making a comeback but when it comes to Spring Racing, anything goes. For inspiration, visit Jill & Jack millinery, City Hatters for the gents and David Jones/Myer also have a wide range.

CUMULUS INC

and Cumulus Up

We highly recommend any restaurant or bar created by Andrew McConnell as you will never be disappointed. On Flinders Lane is Cumulus Inc that serves up modern Australian cuisine designed to be shared, which means a bit of everything at this one hatted restaurant. For a more casual but still a classy vibe is Cumulus Up (literally upstairs). This sibling is a wine bar where dishes are to be enjoyed with your selected bottle of local, Australian or international wine. Reservations are recommended.

TRINKET BAR

Old World Vintage Glam

Melbourne's newest bar located on Flinders Lane is part art deco, part old world glam. Step inside and be wowed by the eclectic design, sip on cocktails that have been re-imagined and dine on a menu designed to complement your preferred drink. Located at 87 Flinders Lane, 3pm - 12am Mon - Wed 12pm - 1am | Thurs - Sun. We also recommend Gin Palace, Berlin and 1806 and Eau de Vie bars.
